Member Eligibility and Identification

If you are enrolled in Medi-Cal, you most likely are eligible for dental benefits. You do not need to apply separately to get dental services because they are a benefit of the Medi-Cal program. To find out if you are eligible for Medi-Cal, call your County Social Services office. You can find this number in your local telephone book.

To receive dental services, take your Medi-Cal Benefits Identification Card (BIC) and a current photo identification (ID) to every dental visit. At each visit, your dental provider must check your Medi-Cal eligibility using your BIC and photo ID. If you do not have your BIC or photo ID, your dental provider can also check your Medi-Cal eligibility using your photo ID and Social Security Number.

If you are a foster parent and your foster child has not received a BIC, the dental provider can use your foster child's Social Security Number to check eligibility. If you have other dental coverage, show that information to your dental provider. If you are eligible for Medi-Cal dental services, some services may be limited. Your dental provider will tell you what dental benefits you have.

Find a Dentist

Do you need to find a Medi-Cal dental provider near you? You can easily search for Medi-Cal dental providers by using the Provider Directory and the lists available on SmileCalifornia.org.

Click on the [Find a Dentist](#) button to view the lists or use the directory to search for a provider. Provider(s) displayed on the search results do not guarantee a Medi-Cal dental provider will accept new Medi-Cal patients at the time you contact them.

If you cannot find a dental provider in your area who accepts Medi-Cal, please call the Telephone Service Center (TSC) at 1-800-322-6384. The TSC representatives can help you find a dental provider and make an appointment.
