

Dear Plan Member:

**DO YOU KNOW THAT DENTAL CARE IS COVERED UNDER MEDI-CAL FOR CHILDREN & TEENS?**

Oral health is an important part of your children's overall health and well-being! **Your child should have a dental exam at least every year.**

If your child needs dental services now and you are having problems getting an appointment, call our Customer Service Department for help. We will be happy to help you in making an appointment with your dentist or help you find another dentist who will see your child.
