You must be referred to get Case Management services. You may be referred by your:

- » Medi-Cal dental provider
- » Case worker
- » Medical provider
- » Other healthcare professional
- » Case manager

Once your case has been accepted, the Medi-Cal Case Management team will help you coordinate your care. Please talk to your dental or healthcare provider if you need Case Management services.

## Kindergarten Oral Health Assessment Program

To make sure your child is ready for school, California law requires that children have a dental check-up. The check-up must be done by **May 31<sup>st</sup>** of your child's first year in public school (kindergarten or 1<sup>st</sup> grade). This requirement is called the **Kindergarten Oral Health Assessment (KOHA)**.

### Steps to Complete the KOHA

- 1. Look out for information from your child's school.** They will give you a:
  - a. Letter about the KOHA requirement
  - b. Form that the dentist will complete during your child's check-up
- 2. Take your child to the dentist by May 31<sup>st</sup>.** You can use the [Find a Dentist tool](#) to find one that's right for your family.
- 3. Ask the dentist to fill out the KOHA form at your child's visit.** Remember to ask any questions you have. Don't be afraid to share your concerns.
- 4. Give your child's school the completed form.** At this point, you're done with the requirement but not with your child's dental care! As a Medi-Cal member, your child is covered for two dental visits each year.
