2023 Member Customer Service Satisfaction Survey

Medi-Cal Dental will soon have a new Member Customer Service Satisfaction Survey. The survey will be online on April 3, 2023! This survey will allow our members to share their thoughts about our Telephone Service Center. One lucky winner could win a \$75 gift card!

The survey will be online in 19 languages on the [Smile, California homepage](#) or the [Medi-Cal Dental website](#). Some members will also get the survey in the mail. The survey will be online until June 2, 2023.

Note: You can only complete the survey once.

We value your ideas. The results of this survey will help us serve you better.

you have options. You can ask your provider for treatment covered by Medi-Cal. They must give you a treatment plan showing dental services covered by the program before providing treatment. Your dental provider cannot make you get any treatment that Medi-Cal does not cover.

If you are not sure what is covered by Medi-Cal or want to know if there is different treatment that is covered, call us and we can help. Please call the Member Telephone Service Center at (800) 322-6384 if you need help. They are open Monday through Friday from 8:00 am to 5:00 pm. The call is free.

Reminder: Kindergarten Oral Health Assessment Program

Poor oral health can affect a child's attendance, grades, and overall performance in school. To make sure your child is ready for school, California law requires that children have a dental check-up. The check-up must be done by **May 31st** of your child's first year in public school (kindergarten or 1st grade). This requirement is called the **Kindergarten Oral Health Assessment (KOHA)**.

Steps to Complete the KOHA

- 1. Look out for information from your child's school.** They will give you a:
 - a. Letter about the KOHA requirement
 - b. Form that the dentist will complete during your child's check-up
- 2. Take your child to the dentist by May 31st.** You can use the [Find a Dentist tool](#) to find one that's right for your family.
- 3. Ask the dentist to fill out the KOHA form at your child's visit.** Remember to ask any questions you have. Don't be afraid to share your concerns.
- 4. Give your child's school the completed form.** At this point, you're done with the requirement but not with your child's dental care! As a Medi-Cal member, your child is covered for two dental visits each year.
