## Learning Management System (LMS) Training Webinars

Medi-Cal Dental invites all dental providers and staff to attend the upcoming Learning Management System (LMS) Training Webinars. The LMS is an online platform through Medi-Cal Dental, which Providers can register to attend seminars, webinars, and on-demand trainings. The LMS offers a variety of seminars and on-demand trainings, including Basic and EDI Seminars, Advanced Seminars, Orthodontic Seminars, and workshops that provide valuable learning opportunities. This platform allows providers to see their Continuing Education (CE) credits, choose coursework to enroll in, and other useful features. These informative webinar sessions will offer insights and guidance on topics such as:

- Accessing LMS
- Creating a user account in LMS
- Enrolling in seminars, webinars, online training
- LMS Overview
- Obtaining user support
